BYRON BAY

Grow your career where lifestyle meets opportunity

The Macro Group is a dynamic and fast-paced boutique accounting firm with offices in Byron Bay and Brisbane. We work with a sophisticated client base, including successful private business owners and high-net-worth individuals, delivering high-quality outcomes and tailored advice.

We have a distinctive brand and a strong, values-driven culture. With a continuous improvement mindset, we embrace change and are committed to creating positive outcomes for both our clients and our people. We are part of the GGI International Network, one of the largest accounting and legal networks in the world and are proud to be recognised as a Great Place to Work (learn more at greatplacetowork.com.au).

Our Byron Bay team is led by Kate Bruce, supported by an experienced and collaborative leadership team with deep technical expertise and commercial insight. Together, they bring a forward-thinking approach to client service, combining high-quality advice with a practical, real-world perspective.

We are growing and looking for a motivated **Accountant** to join our **Byron Bay** team.

The Role

As an Accountant, you will support our team in delivering outstanding service and help create positive outcomes for our high-end client base. Our areas of specialty include:

- Structuring for growth
- Forecasting and planning
- International Taxation
- Business Accounting and Taxation
- Wealth and Superannuation structuring and taxation

The Successful Candidate

We're looking for someone who is motivated, professional, and ready to take the next step in their career. You will ideally bring:

- A degree in Accounting and progress toward (or interest in) CA qualification
- Around 2+ years' experience in a public practice firm
- Strong communication, organisation and attention to detail
- Experience with Xero and Xero Practice Manager (XPM) highly regarded but not essential
- A proactive, solutions-focused mindset with the ability to manage competing priorities and collaborate effectively within a team
- A commitment to delivering outstanding client service and continuously improving
- We value well-rounded individuals who bring interests and achievements outside of work, whether in sport, the arts, business, community involvement or other areas.
